## Effects & Enhancements

**Cold Sparklers**  
2 for \$500 / 4 for \$875

Cold Sparklers emit a fountain of sparks which are not subjected to catching fire.

**Dancing in Clouds**  
\$375

An odorless dry ice effect that makes you feel like you're dancing in the clouds.

**CO2 Canon**  
\$375

An odorless effect that shoots cold harmless CO2 during peak moments of dance sets.

## Lighting Options

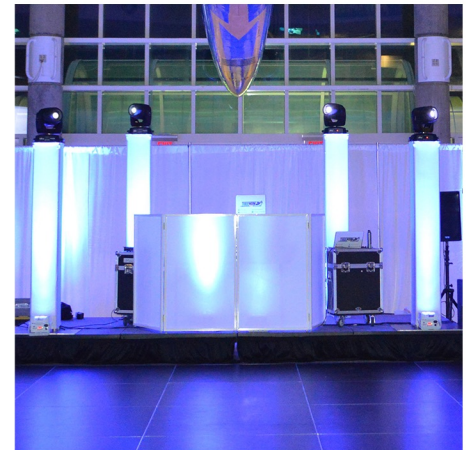

**Name in Lights**  
\$300

A custom designed logo, cut into a metal gobo, then projected on the dance floor or a focal point of your venue.

**LED Uplighting**  
\$400 (per 10 units)

Dramatically enhance the ambiance of your venue with wireless LED uplights.

**Intelligent Light Towers**  
\$250 each (rented in pairs)

Computer operated robotic LED intelligent lighting will set the mood and match the energy of every moment of your event.

## Additional Upgrades

### All-inclusive Photo Booth Package - \$1000

- Professional Quality, High Resolution Photos
- Super Fast Printing
- Unlimited Prints for all your Guests
- Text & Email Sharing
- Multiple Backdrops to choose from
- Prop Station
- Friendly Photo Booth Attendant
